ONE DAY EVENT!

Participate in a one-day workshop and earn .5 continuing education credit!

The Alabama-West Florida Chapter of PAUMCS invites you to come and be “*Shaped to Serve*” at our **18th Annual Meeting and Career Institute** when we will be exploring and sharing new and innovative ways to *re-shape* and *re-think* our ministries in our professional lives.

What is PAUMCS? The purpose of PAUMCS is to provide a supportive base for the unity and fellowship of its members in order to provide individual growth, professional development, continuing education, and spiritual enrichment.

Who may attend? Any person who works in the administrative field in a United Methodist Church, whether you are an employee or volunteer staff.

Must I be a member? No. We would like to see everyone benefit from membership but it is not a prerequisite to attend any conference.

Can I join at the meeting? Absolutely! We hope that once you gain first hand knowledge of who we are and how being a part will benefit you and the church you serve you will wish to become a member.

What benefits do I receive as a member? As a member:

- Receive quarterly newsletters announcing events within our chapter and national PAUMCS
- Be allowed to actively decide and vote on issues concerning our chapter.
- Be part of a bigger team in which to share struggles and creative ideas.
- Might become a committee member or perhaps serve as an Executive Committee Member

Alabama West Florida Conference of the

Professional Association of the **United Methodist Church Secretaries**

Meet Barbara Sadler...

Professionally, Barbara worked in the healthcare field for nearly 18 years. She has been:

- Director of Volunteer Services at Baptist Health Care in Pensacola, FL, with responsibility for over 500 volunteers,
- Director of Senior Services, planning and implementing services targeting senior adults,
- Director of Quality Improvement tasked for implementing processes that continuously improved the delivery of care, Director of Leadership Development with

responsibility for monitoring employee satisfaction, patient satisfaction and developing training for leaders of the health care system to make them more effective in their roles.

Following her tenure at Baptist Health Care, she joined The Studer Group and traveled over the United States for the next four years coaching healthcare organizations in the area of organizational excellence.

She was twice honored to be selected by the state of Florida to evaluate the overall quality of organizations applying for the Florida State Quality Award.

For the past five years she has worked through the Office of Congregational Development of the Alabama/West Florida Conference to help the churches of our conference grow in health, numbers and faith through a process called Natural Church Development. She is also available to do church assessments in the area of becoming an "inviting" church.

She has a master's degree in Counseling Psychology from the University of West Florida and an undergraduate degree from the University of Kansas in Communication Arts.

Barbara is married to Herb Sadler, who served Gulf Breeze United Methodist Church for 28 years, 5 years as District Superintendent of the Dothan District, and then returned for 2 additional years at Gulf Breeze United Methodist. They have four grown children and 6 grandchildren:

Bert & Lori Sadler with Breanna and Jacob, Tracy Peters with Brady and Maggie Grace, Stuart Sadler, Scott & Heidi Herron with Noah and Tae.

Meet Reverend Mike Pearson...

Reverend Mike Pearson is an ordained elder in the United Methodist Church, but considers himself to simply be a follower of Jesus Christ. He received his BS in Sociology from the University of West Alabama, Master of Divinity and Doctor of Ministry from Asbury Theological Seminary. He is the pastor of Greystone United Methodist Church in Dothan, Alabama, a new church from the former Lafayette Street United Methodist Church. Mike and wife, Lisa have been married for 26 years and have one daughter, India, who is attending Troy University pursuing her degree in Elementary Special Education.
