

Office of the Treasurer

January 13, 2010

Dear Friends:

2010 begins a new decade and with it changes. One of the things that is changing is the Alabama West Florida Remittance Form. It is a whole lot easier to use.

Payments to General, Jurisdictional and District Funds remain separate lines as do General and Conference Advances as well as special offerings.

All payments to Conference Missional Giving will be combined on one line, Conference Benevolences, Fund 2105.

We are mailing you the forms to use beginning with any 2010 payments.

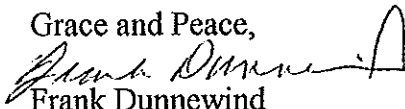

You will also find the form at the Alabama West Florida web site. Select the "Forms" link and look for the 2010 Remittance Form.

Another change will be the process of handling overpayment of Missional Givings by individual churches. Any over payment at year end will be applied to the next year's Missional Givings. It is important for you to identify any corrections that are needed during the year but it is particularly important that you pay special attention to your November 30<sup>th</sup> statement each year; for it will be the last one we send that you can verify and be able to make corrections before year end.

As always, thank you for your commitment to the mission and ministries of the Alabama West Florida Annual Conference and the United Methodist Church.

If you have any questions, please call me.

Grace and Peace,

Frank Dunnwind

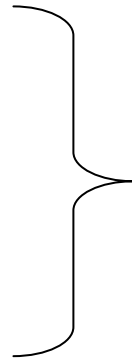

Conference Treasurer and  
Director of Administrative Services

*Reporting Apportionment Payments on New Remittance Form*

Please be advised that new forms have been mailed. The new forms are to be used in place of all old remittance forms when submitting apportionment payments, effective immediately. The apportionments break down and the new remittance form will differ. Please report payments as follow:

*Line Items*

2010 2170  
2030 2175  
2040 2220  
2050 2280  
2080 2290  
2105 2292  
2115 2295  
2160

Will now be combined into one amount and reported on line item 2105 on the new apportionment form.

All other items will remain the same.
