Dental Q&A

How does a PPO work?

PPO stands for Participating Provider Organization. With a dental PPO plan, dental providers agree to participate in a dental network by offering discounted fees on most dental procedures. When you visit a provider in the network, you could see lower out-of-pocket costs because providers in the network agree to these pre-negotiated discounted fees on eligible claims.

How do I find a dentist?

Simply visit www.sunlife.com/findadentist. Follow the prompts to find a dentist in your area who participates in the PPO network. You do not need to select a dentist in advance.

Do I have to choose a dentist in the PPO network?

No. You can visit any licensed dentist for services. However, you could see lower out-of-pocket costs when you visit a dentist in the network.

Where do I find my dental ID card?

Your personalized electronic dental ID card is available through Online Advantage. You can register at www.sunlife.com/onlineadvantage. Please present this card to your dentist at your next visit to show that you are covered by a Sun Life Dental plan.

What if I have already started dental work...like a root canal or braces...that requires several visits?

Your coverage with us and your prior plan may handle these procedures differently. To ensure a smooth transition for work in progress, call our dental claims experts before your next visit at 800-442-7742.

Is it necessary to request a pre-determination of benefits prior to receiving services?

A pre-determination of benefits allows Sun Life to review your provider's plan for treatment before the work is done. We can tell you ahead of time how much of the work will probably be covered by the plan, and how much you may need to cover. If the charge for any dental treatment is expected to exceed \$300, it is recommended that a dental treatment plan be submitted for review before treatment begins.

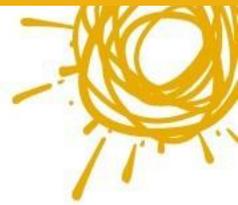

Do I have to file the claim?

Dentists in the PPO network will file claims for you. Some non-network dentists will file claims for you as well. If a non-network dentist will not file your claim, simply ask your dentist to complete a standard American Dental Association (ADA) claim form and mail it to:

Sun Life Financial
P.O. Box 2940
Clinton, IA 52733

How can I get more information about my coverage?
