Vision Q&A

How do I use my vision benefit?

Once enrolled, simply tell your VSP doctor you're a member and they will handle the rest. If you visit an in-network doctor for services and materials, you don't need an ID card or have forms to complete.

How do I locate an in-network VSP doctor?

There are three ways to find an in-network doctor:

1. Visit vsp.com and select the Choice network.
2. Call 800-877-7195.
3. Download our mobile app, Benefit Tools, and search for a doctor near you.

What happens if I use an out-of-network doctor?

You will be required to pay the full amount to the doctor at time of service. You can then submit a claim for reimbursement, which is a lesser benefit when compared to visiting a VSP doctor.

When will my coverage become effective?

Your coverage starts on the effective date specified in your group policy, provided you are at active work on that date. Otherwise, your coverage will become effective on the day you return to full-time duties.

Can I enroll as a late entrant?

If you elect coverage more than 31 days after your eligibility date, your effective date will be delayed to the next plan anniversary date.

How can I get more information about my coverage?

After the effective date of your coverage, you can visit www.sunlife.com/onlineadvantage to create an account with Online Advantage. Once you're logged in, you'll be able to see your plan details and more. Or you can call Customer Service at 800-877-7195.

Please read the Important Plan Provisions section located at the end of this document for Limitations and Exclusions.

1. Administrative services for the vision insurance plan are provided by Vision Service Plan (VSP).

3. Please see your employer for more specific information.
4. Netminder as of December 2016.
