

2018-2020 Conference Staff Priorities

We exist to help our local churches and extension ministries by:

- Growing God's kingdom by making disciples and developing a multiplication mindset throughout the annual conference.
- Attracting and retaining exceptional talent that helps promote a culture of call for clergy and laity.
- Teaching, training, and coaching to support excellent preaching so that people encounter Jesus and live out the Great Commission.
- Being adaptive leaders through uncharted times emphasizing connectionalism and focusing on Kingdom work.
